June 11th, 1920.

Mr. Crispulo Zamora,
Manila,
Philippine Islands.

Dear Sir:-

In the letter of Mr. Gilbert S. Perez received only last week, he told me of your wish to become an Associate Member of The American Numismatic Society, and I had great pleasure in presenting your name at the meeting of the Council held June 10th. You were unanimously elected an Associate. Under separate cover I am sending you copy of our Historical Sketch together with two pamphlets on medals, and if we can in any way aid you in your effort to provide good medals for your portion of the world, I trust you will feel that we shall be very happy to do so.

With the assurance of my cordial regards, I beg to subscribe myself

Yours very truly,

Secretary.

Dear Mr. Roe:

Manila Oct 17, 1920

Am enclosing P. es. of
Mr. Zamora's establishment on
Calle Hidalgo, Manila P. I.

Have just seen the design
for the Magellan Medal.
I think it will be one of
the best turned out by the
Zamora.

I am going to the States
in December and I will
select a reducing machine
for Mr. Zamora and will
bring it back with me. The
work here is handicapped
by the absence of a reducing
machine in the P. I. I am
expecting your help in selecting
a medium price machine.

You will see in the picture the
large press which Mr. Zamora purchased
from Leipzig. Yrs and
Robert W. Lee

Dear Mr. Zamora:

Under separate cover we are sending you your Membership medal. Please accept my apologies for the delay. I am sending it by registered mail and trust that it will reach you in good season.

We are looking forward to a visit from Mr. Perez who writes that he expects to be in this country in December. He recently sent me a post card showing the interior of your establishment, and it is a very interesting picture; I had no conception that it was so large.

Please feel that we shall be only too glad to aid you in any way that is possible.

Very respectfully yours,

Secretary

Dear Sir:

Your favour of April 19th with Money Order for \$40.00 as well as the package of medals is at hand. We beg to thank you very much for the two copies presented to this Society.

Although we have very limited facilities for disposing of medals, we will do the best we can. As a rule, we sell no medals except those we issue ourselves.

I very much doubt if we can procure for you now the two French medals for which you ask - namely, the one by Chaplin and the one by Charpentier. We will, however, write to Paris and see what we can do about the matter. We are out of the Charities and Correction Medal which we once issued and which is listed on page 34 of our Historical Sketch. We have not had one of these for many years and have seen none offered or for sale.

The International Medallic Exhibition Medal cannot be had because only ^{was} ~~one~~ issued for ourselves. The Pierpont Morgan Medal was issued only to subscribers at the time, and I have never seen one for sale. I am very sorry that we cannot help you.

We have the following medals for sale and trust that among these you will find something which you may care to have -

Tercentenary Medal issued by the Boston Numismatic Society...	\$4.00
Catholic.....	\$5.00
Cleveland.....	5.00
New Theatre .	5.00
Daniel Parish	5.00
Lincoln.....	5.00
Babelon.....	\$5.00
Grant	2.50
Peace	5.00
Belgian	10.00 (Silver)

We will let you know later what luck we have with regard to the two French medals.

Very truly yours,

HW/E

My dear Mr. Wood:

I am sending a letter from the son of Mr. Zamora in which he requests that the membership of his late father be continued under the firm name ^{Vinda} Vinda & Hijos de Zamora.

I have not been in Manila recently but believe that with the use of the new reducing machine - there must be some improvement in the work of the establishment

Sincerely

My dear Sir:-

Your letter to Mr. Gilbert S. Perez has been forwarded to me. I will present it to our Council at its next meeting, which will probably be held the latter part of next week. At that time, I will communicate to you the action of the Council regarding membership in this Society of the firm of Vda. e Hijos de C. Zamora.

Dear Mr. Zamora:

I laid your request before the Council concerning the continuing of your father's membership in our Society. The Council are very glad to know that you are sufficiently interested in the Society and its objects to desire continuing the membership, but would prefer such membership to be taken out in either your name or that of your mother's rather than the firm name. Would you kindly signify your intention as to which you would prefer.

Very truly yours,

Curator and Acting Secretary.

Dear Sir:

Some time ago we received from the Philippine Constabulary a set of their medals. We understood that you made these. We are anxious to obtain a duplicate set of the ribbons and are wondering if you could supply us with a small piece of each ribbon attached to the medals. We also understand that there were two sets of ribbons - one of which was discarded. Is it possible to secure samples of the first set as well?

We should appreciate anything you may be able to do in the matter.

Very truly yours,

Curator
